

## FARM WORKER RIGHTS

The Wage and Hour Division helps all workers in the United States, and enforces the law without regard to a worker's immigration status.

AS AN AGRICULTURAL EMPLOYEE IN THE U.S., AT MOST FARMS YOU MUST RECEIVE:

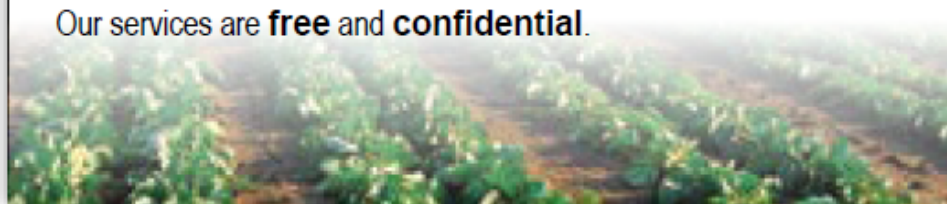

- Information about your job and your pay
- Payment at the proper rate for every hour you work
- Safe transportation
- Safe and clean housing

IF YOU ARE AN H-2A WORKER, YOU MUST ALSO RECEIVE:

- Reimbursement for visa-related expenses you incur
- Payment for your transportation, food and lodging

If your employer does not do these things, or you have questions, call us at 1-866-487-9243. It is illegal for you to be fired or retaliated against for contacting us or exercising your rights.

Our services are **free** and **confidential**.
