### Find jobs on jobsnd.com

#### Job Searching Made Easy:

Build and store résumés, save job searches, apply for jobs, receive email notifications, and more! Postings from multiple Internet sources such as corporate sites, education institutions, government agencies, and hospitals are included in your jobsnd.com job search.

#### Create a Secure Account:

Go to [jobsnd.com](http://jobsnd.com) and click **Find a Job**. If you're a new user, click **Not Registered?**, then **Individual** under Option 2. Create a Username and Password, and complete the required fields. If you're a returning user, simply log in with your Username and Password.

#### Search for Jobs:

Once you're logged in, click **Job Search** in the Quick Menu. Perform a Quick Job Search or click the Advanced Job Search tab to search by specific job and employer criteria.

#### Create a Virtual Recruiter:

Virtual Recruiter is an automatic job search tool that saves your job search and periodically identifies new or updated job postings that fit your job search criteria. Virtual Recruiter notifies you by email, text message or through the system's message center when it finds a match.
