

WEX Health

[WEX Health](#) – with offices in Hartford, Conn., Minneapolis, Minn., Omaha, Neb., St. Louis, Mo., and West Fargo, N.D. – is a rapidly growing company that delivers consumer-driven healthcare administration solutions to the healthcare and employee benefits industry.

Their mission is to simplify the business of healthcare. They do that through empowering their customers to dream bigger by helping them realize their goals with innovative technology solutions and unparalleled service.

WEX Health (formerly Evolution1 – a WEX Company) was formed in 2011 through the merger of two industry leaders: Evolution Benefits, Inc. (a pioneer in the healthcare debit card industry founded in 2001) and Lighthouse1, LLC (a complete HSA, FSA, and HRA solution in a single software as a service [SaaS] platform provider founded in 2004).

Both notable companies in their own right, this combination produced a powerful suite of offerings and a seasoned leadership team who average more than 20 years in employee benefits and healthcare technology businesses.

Evolution1 was acquired by WEX, Inc. in July 2014 for \$532.5 million in cash and was known as Evolution1 – a WEX Company. In April 2016, the company changed its name to WEX Health (www.wexhealthinc.com).

At WEX Health, they simplify the business of healthcare through WEX Health Cloud, a cloud-based healthcare financial management platform that drives efficiency for benefit administration technology, consumer engagement, and advanced billing and payments.

Their network of partner organizations enables them to deliver their industry-leading and award-winning solution to 200,000 employers and more than 17 million consumers across the United States and Canada.

Together they take the complexity out of defined contribution, HSAs, HRAs, FSAs, VEBAs, PRAs, premium billing, public and private health insurance exchanges, COBRA, wellness plans, and transit plans.

The new West Fargo WEX Health campus opened in September, 2016. Current staffing projections show that in 2018, there could be 300 team members working at that location.

Learn more about them at www.wexhealthinc.com.

assistant professor of management
Minnesota State University —
Moorhead

ND OCCUPATIONAL SAFETY & HEALTH OFFERS FREE CONSULTATIONS

Bismarck State College offers this *free* program to assist employers, especially those in smaller businesses, to reach their goal of achieving a safe and healthful workplace for their employees.

Experienced and professional safety and industrial hygiene consultants will identify safety and health hazards in your business, supply recommendations to reduce or eliminate these hazards, and assess your safety and health management system.

Some of the services they provide include:

- Full service on-site safety and health surveys, or surveys tailored to your request
- Training
- Technical assistance, by phone or email

- Safety and health program assessment
- Air sampling and analysis
- Noise measurements
- Recognition / exemption program (SHARP)
- Ergonomic evaluation and assistance
- Written program evaluation and assistance

There are five consultation steps.

1. The Request. The employer starts the process either by phone, 701-224-5539, or may complete the [request form](#) on their site.
2. The On-Site Visit
3. Evaluation and Report
4. Correction of Hazards
5. Follow Up

VETERAN FRIENDLY EMPLOYER

Job Service's website has a new special characteristic available for employers to designate their business as "veteran friendly."

"Veteran friendly" is defined simply as an indication that an employer actively recruits and will highly consider veterans for their job opportunities.

This designation, found on your general information page, allows Job Service staff to quickly search through the data base to find companies that are actively looking to hire veterans.

Please contact the Fargo Job Service office at 701-239-7300 if you would like assistance selecting this designation.

Office Hours:

Monday - Friday
8:00 a.m. - 5:00 p.m.

Job Service North Dakota
will be closed in observance
of the following holidays:

Veterans Day
